Bo'ness & Blackness Path Network Study

Falkirk Council is developing an action plan for a path network in the Bo'ness and Blackness area.

Bonnie Bo'ness hosting workshop meeting

Bonnie Bo'ness, in conjunction with Bell Ingram, has been asked to take ownership of and host one of three workshops to be held in Bo'ness to seek the views and opinions of local residents.

The aim of the workshops is to help improve the path network around Bo'ness & Blackness for the benefit of the whole community.

Public Meeting

Bonnie Bo'ness will host a public meeting on **Wednesday 26 October 2005 at 7pm** in the **Large Meeting Room of Bo'ness Library**. *This meeting will replace the regular monthly meeting of the group.*

Aims & Objectives

The aim of the workshop is to engage with local residents and those local users of existing pathways and tracks in reaching an understanding and consensus of the direction proposed improvements will take.

Areas covered will include:-

- ?? **Improvements to existing paths**
- ?? **New sections of paths**
- ?? **Improved information about the path network**
- ?? **Better signage**
- ?? **Issues raised by participants**

Everyone is welcome

Everyone living or working in Bo'ness & Blackness area with an interest in the future development of pathways, cycle paths, walkways and general access are welcome to participate and contribute to the long term development of these local amenities.

The committee of Bonnie Bo'ness look forward to seeing a large attendance at what should be a lively, interesting and important event for the future path network in and around Bo'ness.
